

The SEED School of Maryland

August 1, 2022

Dear SEED School of Maryland Families,

The SEED School of Maryland is excited for our teachers to give your child a high-quality education this school year. As a Title I school, we must meet federal rules related to teacher qualifications. These rules allow you to learn more about your child's teachers' training and credentials. We are happy to provide this information to you. Parents/guardians are privy to the following information regarding our teachers:

- Whether the teacher met state qualifications and certification requirements for the grade level and subject he/she is teaching,
- Whether the teacher received an emergency or conditional certificate through which state qualifications were waived, and
- What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. This commitment includes making sure that all of our teachers and paraprofessionals are highly skilled.

If you have any questions about your child's assignment, teacher, or paraprofessional, please contact 410-843-9477 ext. 297.

Sincerely,

The SEED School of Maryland
