

## ATHLETIC TRAVEL PERMIT

I hereby give my consent for, \_\_\_\_\_ to travel to and from athletic contests held by The SEED School of Maryland Athletic Department. I understand that it is the Athletic Department's policy to provide transportation to events using SEED vehicles or public charter buses. The drivers of the SEED vehicles are responsible employees of the school. These individuals cannot be held responsible for any accident or injury that might occur. I further understand that I accept responsibility for any medical expenses beyond that covered by the transportation liability of the school should any injury occur. It is understood that each athlete is expected to ride in the school provided transportation to all away contests, unless a parent/guardian has made arrangements with the Athletic Director to personally take the athlete to the location of the game. It is understood that an athlete MAY NOT drive to an activity, unless under extreme circumstances for which parent/guardian has contacted the Athletic Director prior to the game. If an athlete violates these travel policies and procedures, that athlete is subject to disciplinary action by the school, which may include suspension from the team.
