

Family Support Contacts

Each Local Education Agency includes a Family Support Center. Family Support Center staff are committed to provide information to parents and families to work as equal partners with the Local Education Agency. Specifically, each Family Support Center seeks to:

- Increase parental involvement in the early intervention and special education decision making process;
- Increase collaborative relationships through information and training;
- Assist families in resolving concerns and making informed decisions regarding their child's education; and
- Provide information about disabilities and school system and community resources.
