

Hello,  
Class of 2020 & Class of 2021 Students & Families:

The College Success Team (SEED's College Counselors and College Transition & Success Team) have been working to switch our college success programming to a virtual platform. Similar to your academic teachers, we will communicate, assign classwork, and provide resources through Google Classroom. Below you will find specific information for each class; check-in meeting availability; office hours; & other resources.

### **Juniors**

Over the next month in Junior Seminar/SAT Prep we will continue our focus on SAT test preparation; College Knowledge; Financial Literacy; Scholarships; Career Skills; Life Skills; & College Exposure. You will continue your use of our google classroom at Class Code (m7m7mch). Assignments will be posted weekly.

### **Seniors**

Over the next month, seniors will continue to focus on the following:

- Following up with colleges/universities
- Completing financial aid requirements at your respective institutions
- Applying to scholarships
- Complete college transition programming
- Actively checking in with Ms. Harris and our College Transition & Success Advisors.

You will access your Google Classroom using Class Code (r37ktei). Ms. Pav will be available to assist you via Google Hangout on Tuesdays at 1pm until 3pm.
