Staff Member of the Month

Jordan Smith, Instructional Assistant

Jordan is from Colonia, NJ. He attended Bishop George Ahr high school and graduated in 2009. He went on to attend Ithaca College in upstate NY. While there he was a sport media major with a coaching minor. He was also a member of the varsity football team. During his junior year he suffered a season ending injury. Instead of sitting on the sidelines he took that opportunity to help coach the team. He graduated from Ithaca in 2013. For the

next three years he stayed in Ithaca and worked at the Lansing school district. He worked as an one on one aide in the elementary and high school. He also coached football, basketball, softball, and baseball at both the middle and high school levels. In June 2016 he moved to Hartford County. He was in multiple school districts before arriving at SEED in January. He works as a one on one aide while also coaching basketball at St. Paul's in Brooklandville.

Have a great Summer!!!!

As the school year wraps up, I wanted to take a minute to wish you all a great summer! Our jobs are draining and we put 110% in everyday so this break is much deserved. Rest, Relax, and Enjoy!! Can't wait to see you all next year!

Here are some links with fun activities around the area!
